P. Bullock Test Technician

Approval

R. J. Sutton Verification Controller

Certified that the specimens detailed heron have been subjected to the tests as required by the contract/order unless stated above. The quality control arrangements adopted in respect of these tests have accorded with UKAS and ISO 9001 Quality System requirements but the tests themselves are not UKAS Accredited. No representation or warranty is given that Tests performed under the terms of the Contract constitute, in themselves, a sufficient programme for the Customer's purpose, nor that Customer's Equipment tested is suitable for any particular purpose. The contents of this Certificate shall not be reproduced, except in full, without the written approval of TRaC Global Limited.
